CAMPUS UP•DATE

University of North Florida

VOL. I No. 2

Published by the Division
of Student Activities

This public document was funded through the allocations of the Student Government Association of the University of North Florida and promulgated at a total cost of \$196.00 or .0784 cents per copy.

NO COPYCATS

Want to hear the Doobie Brothers imitated? How about listening to a copy of the Beatles or Marshall Tucker? If you do, then don't bother to come to the Happy Hour at the Boathouse on October 8.

The Cowford County Band is going to be there and they have never believed in copying material from other groups. This group, which Jacksonville calls its own, takes its name from the time when Jacksonville was little more than a wide spot in the road known as Cowford County.

Since its debut in the Jacksonville Coliseum on August 7, 1974, the band has given concerts with Dave Mason, Edgar Winter, Loggins and Messina, Jimmy Buffet, Roy Buchanan, Sea Level, Lynyrd Skynyrd, Charley Daniels and the Ozark Mountain Daredevils.

The group's roots are southern and contemporary. Its music consists of rock 'n roll, blues, jazz and country but the style and sound cannot be confined within the framework of any single type of music.

The reason for its diversity in sound may be found in the band's members as each is truly individual.

The group doesn't play many local clubs since they don't like to play other performers material but prefer to build up an entire show consisting of original songs rather than throwing together a hasty show of Top 40 material.

So, if you're tired of hearing the same songs done by several different performers, give the ears a break; be at the Boathouse on October 8 to hear some good, original music.

AN ENTERTAINING FALL QUARTER

Those looking for good entertainment at bargain prices should try UNF this fall. The Office of Student Activities and the Council of Fine Arts have a calendar filled with events which fit the above description. The price is right, too, for everything is free.

Beginning with the Cowford County Band, which will perform during the Student Activities Happy Hour on Friday, October 8, everything from good movies to good art exhibits is on the Fall agenda.

After Happy Hour on the 8th, The Rein-carnation of Peter Proud, will be shown in the UNF Assembly Hall. Saturday, October 9, bring the family and picnic with Mike Johnson and his "Sounds of Bluegrass". This well-known group will perform with several popular entertainers such as The Mildew Brothers and "Red and Murphy".

Arthur Bloomer, Fine Arts Assistant Professor of Music, will present a recital featuring both organ and harpsichord 17th and 18th century music. The harpsichord to be used is a replica of the mid-eighteenth century French instrument. The recital will take place on October 15, 8:30 p.m., at St. Paul's By-The-Sea Episcopal Church, Jacksonville Beach.

Also on this date, Friday, October 15, The Asphyx, a real chiller thriller horror movie, will be shown in the UNF Assembly Hall, building 9, at 7:45 p.m.

For those of you interested in art, the first major exhibit of the season will be on view in the UNF library foyer and student commons area from October 18 through November 5. Featured in the exhibit will be three Jacksonville University art professors; Mun Quan, Barre Barrett and William Persick.

On October 22, the Chicago Free Street Theatre, an improvisational drama troupe, will be on campus. Performances will be at noon and at 7:30 p.m. Between those performances, the troupe will be involved in a workshop in music at 1:30 and a theater workshop at 3 p.m. Students from UNF, FJC, JU and Edward Waters College are invited to attend.

The most famous of all super heroes will be featured in the UNF Assembly Hall on Friday, October 29, when Superman is on the movie agenda. Bring a large bag of popcorn (or get one from the vending machine) and relive the days of Louis Lane and Clark Kent, reporters from The Daily Planet.

Expect something unusual in the way of folk music when Gene Cotton appears here on November 5. He will be the featured performer for the Student Activities Happy Hour. A hit single of his, "Sunshine Roses", gained such popularity nationwide that RCA has signed him to a recording contract. You can be sure that more of his music will gain the same popularity.

For the weekends of November 12-13 and 19-20, the UNF Venture Theatre will be the feature attraction at UNF. This fine group of actors, under the direction of Steve Parrish, will present two plays, "The Chairs" and "The Play". All seats will be reserved and tickets must be obtained through the Department of Fine Arts.

November 19 brings us to another popular Happy Hour. On this date the Office of Student Activities will present a surprise guest, a prominent performer, in concert. Be sure not to miss this one.

If drama, music, movies and all-around entertainment — free of charge — is your cup of tea, then keep up with what is happening at UNF this quarter. You are certain to find plenty to enjoy.

THE GREEKS ARE COMING! ZETA TAU ALPHA

Zeta Tau Alpha, an international women's sorority, has been invited to colonize on campus in October. Dates for the colonization have been set for October 8-10. The colonization will be directed by Mrs. Richard Jackson of Tallahassee, Vice President-Collegiate for the sorority. She will be assisted by Mrs. John G. Galm, Province President; Miss Joanie Kimball, National Field Secretary; Zeta collegians from the University of Florida and Jacksonville University; and local alumnae. Zeta Tau Alpha was founded at Longwood College in Farmville, Virginia in 1898. From the nine Founding sisters, two of whom are still living, Zeta has grown to over 75,000 members and this number increases annually by about 3,000. ZTA presently has the third largest number of collegiate chapters of the 26 national sororities who are members of the National Panhellenic Conference. In Florida, Zeta has chapters on the campuses of Florida State University, Stetson University, University of Florida, University of Tampa, Florida Southern, Jacksonville University, and Florida Technological University.

The Zetas have an enviable record in the field of philanthropy. In the early days of the sorority's history, ZTA maintained a Health Center to meet the needs of the mountain inhabitants of Ouirin Valley, Virginia. In 1947, the sorority turned its philanthropic efforts to the National Society for Crippled Children and Adults, Inc. (the Easter Seal Society). Zeta provided grants totaling \$50,000 for such projects as filmstrips, brochures, for parent education and child safety, and the development of self-help clothing.

Since 1970, ZTA has supported the National Association for Retarded Citizens (NARC). They have underwritten costs of brochures on prevention and guides for recreational and educational services. In addition, Zeta collegians and alumnae work in their own communities with local projects such as daycare centers, Bike-Hike, and the Special Olympics.

Established in 1954, the Zeta Tau Alpha Foundation has awarded more than \$170,000 in scholarship grants to both Zetas and non-Zetas on campuses throughout the United States and Canada.

Zeta Tau Alpha believes that belonging to a Greek group will add an enriching new dimension to campus life of the University of North Florida. Membership in Zeta Tau Alpha will offer many rewarding and unique experiences to women during their college days as well as later in their alumnae lives.

CLUBS

Information concerning ZTA's colonization may be obtained from Michael Argento, Assistant Director of Student Activities.

CLUBS—Do not forget your ICAC meeting on October 13 at noon, Building 10, Room 1217.

PSYCHOLOGY CLUB

To all members and prospective members! You are invited to attend a meeting of the Psychology Club on Wednesday, October 6, at 1:00 p.m. in building 10, room 1217. This will be a meeting to welcome new members and to organize for the Fall Quarter.

CB CLUB

'Breaker' 'Breaker' "hey good buddy" signs have popped up all over campus recently and, apparently, some 'good buddies' have been reading and copying. A big '10-4' was the result as those interested in forming a CB club met at noon on Wednesday, September 29. For more on what's on the flip-flop, contact the Silver Knight at 646-2875.

BOWLING CLUB

The Bowling League will be meeting at Jax Bowling Lanes on Expressway Tuesday, October 5, at 9:00 p.m. Everyone is also welcome to attend the second meeting on October 12. The League is ABC Collegiate sanctioned; cost to members is \$3.00 for 3 games of bowling. Members may also bring a friend, husband or wife, etc.

The Bowling Team is looking for bowlers with an average of 170 or better for the UNF team. The Intercollegiate Bowling Team competes with teams from the University of Florida, Florida State, University of South Florida and other state colleges. Members must be willing to travel in representing UNF and to participate in tournament bowling. All expenses are paid and shirts provided. For more information, contact Michael Argento, club advisor, Student Activities Office.

THANKS!

We offer a sincere thanks to S.A.M., Alpha Sigma Pi, Baptist Campus Ministry and the History Club for their efforts during Clubs Week; also to S.A.M. and to R.O.T.C. for registration days. A special thanks goes to the Baptist Campus Ministry for their welcome and free refreshments to new students during registration.

SAWMILL SLOUGH

The Sawmill Slough Conservation Club will hold its first meeting of the Fall Quarter on Wednesday, October 6, at 8:00 p.m., building 10, History Commons area. Guest speaker will be Joe Cury who will present his views on nuclear energy and Offshore Power Systems. Come join a happy, informal group interested in a clean environment. Announcements will be made concerning fall camping and canoeing trips.

MATH & COMPUTER SCIENCE CLUB

The Math/Stat/Computer Science Club is open to anyone interested in Mathematics, Statistics or Computer Science. At regular meetings throughout the year, the club sponsors speakers on topics in the mathematical sciences which are of interest to its members. In the past, these speakers have included faculty members, ex-students, and other professionals employed in the mathematical sciences fields. Affiliated with the club is the national mathematics honorary society, Pi Mu Epsilon, which semi-annually inducts new members based on their scholastic achievements in these fields. If qualified and interested, contact Dr. Charles Winton of the Mathematics department.

PROPELLER CLUB

The first meeting of the Fall Quarter will be held at 11:30, October 7, in conference room 2425, building 10. On the agenda is the election of officers and the scheduling of proposed events. All interested students are invited to attend.

RALLY ROUND THE CARS!

Coming soon — UNF's first Car Rally! On Saturday, October 23, enthusiasts will meet in parking lot 4 behind the boat-house at 11:30 a.m. to begin the race for the prize, UNF's first Car Rally trophy. Be there with your wheels ready to roll! For more information call 646-2875.

GET INVOLVED IN INTRAMURALS

Intramurals are recreational sport activities for individuals who want to participate in team, singles and/or doubles competition. All UNF students, faculty and staff are eligible to participate and enjoy all Intramurals sports activities.

Come by or call the Intramurals Office, building 10, room 1206 (phone 646-2579) and fill out an entry form. If you do not have a team, we will help place you on one.

Recreational facilities available on campus are: tennis courts; four-wall racketball courts; football/softball fields; cross country trails; basketball courts; volleyball courts; Intramurals equipment check-out; and game rooms.

1976 Fall Intramural Schedule	Entry Deadline	Starting Date
6-man Flag Football	Sept. 30	Oct. 5
Racketball (Singles)	Oct. 1	Oct. 7
Volleyball (6-man teams)	Oct. 6	Oct. 11
Ping Pong (Singles)	Oct. 15	Oct. 21
Tennis (Singles)	Oct. 18	Oct. 25
Golf (Calloway Scoring System)	Nov. 1	Nov. 5
Cross Country Run	Nov. 10	Nov. 12

DUO ACTING!

The UNF Intercollegiate Forensics Team, sponsored by the Enrichment Skills Center, needs women to try out for roles in a ten minute cut of Maxwell Anderson's Mary of Scotland and Dodie Smith's Autumn Crocus. Practice involves three hours a week and all expenses paid weekend travel. Leave your name and phone number with Sandy Hansford, Director of Enrichment Skills Center, 001/1529. Or call Ozzie Banicki, 246-8338 after 6:00 p.m.

Student Services

HEALTH OFFICE HINTS

Information on Swine flu immunizations:

"Flu" is a highly contagious respiratory disease caused by a virus which can periodically change. When the virus changes dramatically, as it has in the past year, a world-wide epidemic can occur. Few people's defenses are effective against the new virus. Even being young and healthy is no protection. The only defense is to have the proper antibodies against the specific virus. These antibodies will be formed in your body after immunization with the vaccine specific for that flu strain. Thus, the reason for the government's concern and haste to mass immunize the nation against the swine flu virus.

Some people are considered high risk, and they will be vaccinated first. These are the elderly and those with a chronic illness such as 1. heart disease 2. chronic lung disease—asthma, bronchitis, emphysema, T.B. 3. chronic renal disease 4. diabetes mellitus and other chronic metabolic disorders. These high risk groups will probably receive immunizations against more than one type of flu virus, for added protection.

Next, the general population will be immunized, and it is recommended that everyone be vaccinated, for their own protection and that of others. The exception is anyone with known hypersensitivity to egg protein, as the vaccine is cultured in eggs. These people will be given a skin test or other allergy-evaluating test, and any adverse reactions will indicate these people should not be vaccinated. Also, those with acute febrile illnesses will not be vaccinated until they recover.

Very few side effects can be expected. The injection site may be a little tender and reddened. Less than 2-3% of the total vaccinees may experience low grade fever, malaise, and muscle soreness for 1 or 2 days. Influenza vaccine has rarely, if ever, been associated with severe adverse reactions, thus it is considered safe for widespread use.

Local health departments and private physicians will be dispensing the vaccine. Watch the newspapers for announcement of time and place.

LET COOP HELP

The UNF Cooperative Education program offers the student an opportunity to obtain paid career-related experience and a possible full time position after graduation while the student is studying for a degree. This work/study program has been extremely valuable in developing the individual's awareness of himself and an awareness of the world of work.

Please contact the Cooperative Education office in Student Affairs (Building One, 646-2955) if you are interested.

PLACEMENT OFFERINGS

The Placement Office will be offering seminars about various aspects of the job search on the following dates this month:

October 11	Monday	5:30-7:00 p.m.
12	Tuesday	2:00-3:30 p.m.
13	Wednesday	10:30-12:00 a.m.
19	Tuesday	10:30-12:00 a.m.
20	Wednesday	2:00-3:30 p.m.
21	Thursday	5:30-7:00 p.m.
25	Monday	5:30-7:00 p.m.
26	Tuesday	2:00-3:30 p.m.
28	Thursday	10:30-12:00 a.m.

Resume Writing Workshop:

October 12	Tuesday	10:30-12:00 a.m.
27	Wednesday	2:00- 3:30 p.m.

Interview Game:

October 14	Thursday	10:30-12:00 a.m.
------------	----------	------------------

Job Goal Clarification

October 18	Monday	5:30-7:30 p.m.
------------	--------	----------------

In addition, the following employers will be on campus to interview prospective applicants.

OCTOBER

4, Monday	Peat, Marwick & Mitchell
11, Monday	Equitable Life
12, Tuesday	Blue Cross/Blue Shield
12, Tuesday	Mutual of New York
13, Wednesday	Mutual of New York
14, Thursday	G.C. Murphy Co.
14, Thursday	Mutual of New York
15, Friday	IBM
20, Wednesday	Arthur Young
21, Thursday	New York Life
26, Tuesday	State Mutual Life Assurance Co. of America

HAPPY HOURS

Hi, everybody. I'm back again to remind you of our next Happy Hour. As if you needed reminding! Didn't we have a fabulous time with the Rotagilla Band? Too bad they had to leave - we were yelling for more. I know you are all looking forward to another Friday evening as enjoyable as that one.

So o o - the word is that one is coming up. Yeah! The performers are known as the Cowford County Band and I hear they have a really unique sound. They will appear on Friday, October 8, at 4:30 p.m. in the Boathouse. So keep your happy face on the ready shelf - I'll be looking for you. Okay?

From Fine Arts

BLUEGRASS

Bluegrass music will ring out on the UNF campus, Saturday afternoon, October 9, from 1 to 5:30 p.m. Fiddlin' Doc Aylsworth (1974 South Atlantic fiddle champion) will lead off the concert, to be followed by Mike Johnson and the Sounds of Bluegrass (Jacksonville), Red & Murphy Henry (Hawthorne), and the Mildew Brothers (Gainesville). The show will be held at the boathouse. Soft drinks, beer, and sandwiches will be available. Bring family and friends for a pleasant afternoon of music, conviviality, picknicking, and picking.

ART SHOW

The first major exhibit of the season will feature three Jacksonville University art professors; Mun Quan, Barre Barrett and William Persick. The exhibit will take place in the UNF Library foyer and student commons area from October 18 through November 5.

CONCERT

A recital of seventeenth and eighteenth century keyboard works will be presented by Arthur Bloomer, Assistant Professor of Music, in Jacksonville Beach, at St. Paul's By-The-Sea Episcopal Church, October 15 at 8:30 p.m. The recital will include works for both organ and harpsichord. The harpsichord to be used is a replica of the mid-eighteenth century French harpsichord. The program will include works by French, German, English and Portuguese composers.

FREE STREET THEATER

The Chicago Free Street Theater, an improvisational drama troupe which performed at UNF two years ago, will return to the campus to spend a day on Friday, October 22. Current plans include a "Minishow" at noon and a major performance at 7:30 p.m. Between performances, various members of the troupe will be involved in a music workshop at 1:30 p.m. and a theater workshop at 3:00 p.m. to which students from UNF, FJC, JU, and EWC will be invited. Watch for signs around campus during the next week for definite locations.

Movies

Can reincarnation be proven? Can man capture the spirit of death? Be a spectator as Michael Sarazin runs head-on into his previous life in The Reincarnation of Peter Proud; also as Robert Stephens tries to achieve immortality in The Asphyx. The Reincarnation of Peter Proud shows on October 8 at 7:45 p.m. following the Happy Hour at the Boathouse. The Asphyx will be shown on October 15; these films may be seen on Friday evenings in the UNF Assembly Hall, building 9.

GOOF-UPS!

Our apologies to the following persons for errors made by the Student Handbook editor:

page 36-Dr. Robert L. Mitchell should be listed as Dean of Continuing Education

page 55-William DeSue should be listed as Coordinator of Veteran's Affairs

page 3-visitors' parking is in lot 3, not lot 6 as listed

to Dr. Johnny Arnette for failing to include a separate section on the Academic & Career Advisement Program to Andrew Farkas; the library extension is 2553

to Betty Crippen; the Registrar's office hours are until 8:15 Monday thru Thursday, not 9:15 as listed.

to James Brennan for incorrect photo credits-photos on pages 5, 6, bottom of 7, 11, top of 16, 18, 20, 32 and 43 were taken by Mr. Brennan.

UP-DATE DEADLINES

Anyone wishing to have something included in the Up-date should bring it to the Office of Student Activities before the following dates:

October 13 & 26
November 8 & 22

PERSONALS

Female student looking for roommate at the Beach; \$75 rent, \$50 deposit for utilities. If interested, call 725-2850.

Student needs ride from Old St. Augustine Road; willing to share gas expenses. Monday thru Friday. Call 733-7697.
